A CHOICE OF CUP SIZES AND LIDS

Choose from a wide range of cup sizes to suit all your coffee needs. We have smaller volume 10 and 12oz 80mm diameter cups if a standard 12oz is too large. They neatly match our 6 and 8oz cups, and as a series, they all fit our small lids. We also offer a wider rimmed 8oz 90mm diameter cup that fits our large lids, alongside our standard 12, 16 and 20oz cups.

CUSTOMISE YOUR LID

Stand out from the crowd and reinforce your brand with colour, a message, pattern or your logo under the nose of your customers (MOQ 1 million).

BIOPLASTIC BAGS

Custom printing

Ecopond bioplastic

Certified commercially and home compostable to Australian standards – AS4736 and AS5810

Use	Dog waste, checkout, bin liner, kitchen tidy bags
Material	Ecopond bioplastic
End of life	Home and commercially compostable

BioPlastic Bags enable the diversion of organic waste from landfill and are ideal for the collection of food scraps. Made using Ecopond, a starch-based bioplastic that is certified home compostable (AS5810) and commercially compostable (AS4736) to Australian standards.

- Shelf life of up to 6 months
- Biodegradable in a home compost
