

FURNITURE

Green Leaf is operating in Fiji and other South Pacific countries in order to provide new, exceptional products in terms of quality, design and price. We source our products from USA, Spain and Germany – countries well known for quality of their products.

Fully tempered glassware made in Spain is here to solve the biggest problem of glass – fragility. Extensive product range, competitive pricing and wonderful benefits, such as durability will help you save money and reduce the hassle of replenishments that you face every day.

We never stop searching for ultimate solutions of your problems and operate in many areas of hospitality and foodservice. Other products you will enjoy:

- Commercial grade timber furniture we manufacture furniture in Fiji
 - Dinnerware crockery, flatware etc.
 - Glassware crystal, tempered and regular glassware
- Melamine dinnerware and drinkware perfect for pool areas
- Front of the house accessories
- Janitorial and housekeeping equipment
 - Storage solutions
 - Laundry equipment
 - Kitchenware
- Commercial kitchen equipment and appliances
 - Refrigeration equipment
 - Textiles tablecloth, bed textiles, towels
 - BBQ grills and smokers

Artis Furniture factory is located in Nadi. We have 1500 sq. m. factory equipped with modern equipment from Germany and Italy, 25 years of experience and team of furniture industry professionals. We have been already involved in some projects:

- Marriott
- Castaway
- Holiday Inn
- Nadi Airport
- Danam Factory
- Mana Island Resort
- Tropica Island resort
- Tokoriki Island Resort
- Plantation Island Resort
- Fiji Palms

We're so confident in quality of our products that we'll gladly provide 1 year commercial usage warranty on all furniture items manufactured in our factory.

We implement Italian quality of finishing standard Our cabinetry is produced using minifix housing, so it features:

- easy assembling
- flat pack for shipment cost optimisation
- outstanding durability
- great repairability
- longest possible life span
